A MESSAGE FROM DR. KEEGAN

Dear Skagit Valley College Graduating Class of 2026,

Congratulations, Class of 2026!

As graduates during Skagit Valley College’s Centennial Year, you are part of a remarkable legacy 100 years in the making. For a century, SVC has opened doors of opportunity, transformed lives, and strengthened communities, and now, you carry that legacy forward.

Your journey to this moment reflects resilience, determination, and courage. Every challenge you overcame and every goal you achieved has prepared you for the opportunities ahead. As you step into this next chapter, I encourage you to lead with respect, integrity, collaboration, open and honest communication, and compassion, the guiding principles that define SVC and the qualities our world needs most.

The future belongs to those willing to learn, lead, and make a difference. I have every confidence that you will do exactly that. Wherever your path leads, know that your time at SVC has prepared you to create positive change in your communities and beyond.

Congratulations once again, and best wishes for a bright and meaningful future ahead.

A handwritten signature in cursive script that reads "Thomas A. Keegan".

Dr. Thomas Keegan
President, Skagit Valley College

ACADEMIC DRESS

Have you ever wondered about the various types of robes and hoods worn by participants in a commencement ceremony? The history of academic dress reaches far back into the early days of the oldest universities. It appears that academic clothing was first introduced and worn at Cambridge and Oxford Universities in England in the 13th Century. The European custom was carried to America, but prior to 1895, the institutions in this country did not follow any particular style of costume. In that year, an academic code of dress was adopted and the standards accepted by most of the colleges and universities in the United States. Today, the black robe, hood, and cap are generally worn.
